Attorney for Applicant(s)

AMENDED CLAIMS PURSUANT TO 35 C.F.R. §1.121(C)(1)(ii)

Commissioner of Patents and Trademarks
c/o Technology Center 3600
Washington, D.C. 20231

Sir:

RECEIVED

MAY 14 2003

GROUP 3600

Pursuant to 35 C.F.R. §1.121(C)(1)(ii), the following claims correspond to the claims amended by the concurrently submitted amendment for the above referenced application. The claims are marked to show the changes relative to the previous versions of the claims.

1. (Twice Amended) A transaction service provider for administering a plurality of accounts for a client, comprising:
 - a) a computer, having a processor, a data storage medium, and a network port;
 - b) the storage medium configured to store the clients' personal information, account information, and transactional information;
 - c) the processor configured to:
 - 1) create a database of client information including the client's personal information, account information corresponding to a plurality of accounts associated with the client, and transactional information corresponding to a plurality of transactions conducted by the client;
 - 2) designate as confidential a predetermined first portion of the database client information;
 - 3) designate as non-confidential a predetermined second portion of the database of client information non-confidential;
 - 4) provide the client with access to the predetermined first and second portions of the database of client information via the network port;
 - 5) provide a plurality of vendors with access to the predetermined second portion of the database of client information; and
 - 6) deny access for the plurality of vendors to the predetermined first portion of the database of client information.

43. (New) The transaction service provider of claim 1, wherein the processor is further configured to comprise a client data consolidation expert system, the client data consolidation expert system receiving input information comprising client profile information, transaction and records analysis, and privacy specifications.

Respectfully submitted,

WELSH & KATZ, LTD.
